

Dear Parents,

We are currently taking registration for Religious Education classes for next fall.

Religion classes are the most important classes that your child/ren will attend. When you brought your child to church for Baptism, they were welcomed into God's family. As a member of God's family, just as with your own families, you need to meet on Sunday's to get to know who the other family members are. This can only be done by coming to regular religion classes and getting to know the members of God's family.

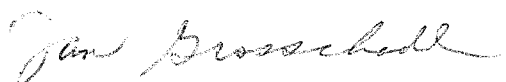

We are looking to invite ALL MEMBERS who have children in grade school to regular classes with a formal curriculum. We do miss those of you who have not been attending our classes, because without you our family is not complete.

Please pick-up a registration form in the gathering space and return it to us. This will help us order supplies for the fall. Any questions, please call our office at 453-0300.

We miss you, for without you we are not a complete family.

CH__CH:WHAT IS MISSING?????

God bless you and your family.

Jan Grosschadl - DRE
